

Quorum Capital Ethical Portfolio (RG3Ethical)

Strategy Description

The Quorum Capital Ethical Portfolio is designed for clients seeking a balanced multi-asset investment approach, while incorporating ethical and responsible investment considerations into fund selection. The portfolio aims to provide long-term capital growth within an RG3 Balanced risk profile, while accepting that capital values can fluctuate and losses may occur. The portfolio has a maximum volatility threshold of 10%, monitored on a monthly and annual basis. It invests in qualifying equity and fixed income funds selected from the ethical fund universe, with the aim of maintaining an appropriate balance between growth potential, diversification and ethical investment considerations.
